

THE TRANSMITTER

November, 1981

EDITOR: Chuck Weibler 279-3322  
PUBLISHER: Steve Schoening 832-6616

### November Meeting

The November Meeting will be held on the 25th, the day before Thanksgiving.

Elections will be held for the selection of our 1982 Club Officers.

### Club Elections

Club elections will be conducted at the November meeting. Candidates to be voted for, are as follows:

President	Steve Schoening
Vice President	Chuck Weibler
Treasurer	John Bednarz
Secretary	

As you can see, all officers are running uncontested. Anyone wishing to run for any office, must be present next Wednesday, as nominations will still be held prior to the actual voting.

Also, we will be voting for three (3) new board members. As the by-laws state, all current officers are automatic board members, as well as the proceeding years officers. Candidates to be voted for are:

Don Richels  
John Nicastro  
Joe Marine

### Club Election (Cont'd.)

Anyone wishing to add their name to the list of candidates for board member should also be in attendance at the November meeting.

All candidates for office or board member must meet the following qualifications:

- 1) minimum age 21
- 2) member in good standing for a minimum of six months
- 3) be in attendance a minimum of 2/3 of total meetings

Although our new club is only one (1) year old, we have accomplished quite a bit for our first year. The lack of interest at the October meeting regarding nominations, however, leaves a lot to be desired. More involvement will be needed by the membership as a whole to help maintain and allow our club to grow. Remember, this is your club, the more you put into it, the more you'll get out of it.

### Club Property

Club property (stop watches, sound level meters, tents, etc.), have to be audited in the next month. Please bring in whatever property you have to the November meeting or call Steve Schoening or Chuck Weibler.

## Club Dues

At the October meeting, it was proposed to raise our club dues from \$15 to \$20. Since most of our major expense for the establishment of our new club is behind us now, all the dues will be mainly devoted to Club Fun Fly Events and prizes. Overhead expenses such as stamps for newsletter mailings and other administrative costs are, as you are aware, also on the rise. A dues increase will help offset these increases.

## Fuel

The club will purchase fuel for sale to its members. The fuel will be GO-POP 10% synthetic (ECONO) and will be available in 5 gallon quantities (plastic 5 gallon containers will be supplied). Please place your order at the November Club Meeting. For additional information, please contact Steve Schoening/832-6616 or Chuck Weibler/279-3322.

## Club Hats

Plenty of club hats are still available at \$4 each. Members who have not purchased their hats, please do so at the next meeting. The club put out the money for these hats and the members said they would buy them. Every member flying out at the field should wear his club hat to help show our strength. So if you have not purchased yours, please do so and do your part to help keep our club solvent.

## October Raffle

Winners at our October meeting were as follows:

Bob Bostrand-Multi-Tester  
George Holada-Multi-Tester  
Ed Wonnacott-Al's Gift Certificate  
Ed Kerr-Hobby Hut Gift Certificate

## Guests

Ed Wonnacott and his son Mike were guests at our October meeting. They are very interested in becoming more involved in RC and with also joining our club. We would enjoy having you become members at the next club meeting.

## AMA

By now you all should have received your AMA renewal notices. Please remember to renew your AMA status before the year is through. If you do not possess a current AMA card, we will not be able to put you on our 1982 roster.
