

## THE TRANSMITTER

October, 1981

Editor: Chuck Weibler 279-3322  
Publisher: Steve Schoening 832-6616

### October Meeting

Our October Club Meeting will be held on the 28th at the Addison Library, starting at 7:15 P.M. This will be an important meeting as we will be taking nominations for officers for the upcoming year.

### 1981 Season Winner

The overall point winner for our 1981 season was John Bednarz. His consistent flying through the entire 1981 season earned him a \$75.00 gift certificate from Al's Hobby Shop.

Tying up second place was Bob Jukiewicz, which won him a \$50 gift certificate.

Third place went to Steve Schoening, giving him a \$25 gift certificate. Although Steve only won 1 ribbon, he attended and flew in every contest thus building up his point total.

Congratulations to our three winners.

Final Standings: John Bednarz  
Bob Jukiewicz  
Steve Schoening

### President's Fun Fly

We had a terrific turn out, great weather and an enjoyable time was had by all who attended our First Annual President's Fun Fly. President George was our chief chef and he really out did himself fixing the hot dogs. The pop was handled

### President's Fun Fly (Cont'd.)

by Steve (as usual) and between these two fellows, everyone was kept in good spirits. We had a total of 10 flyers competing in the Bomb Drop and we saw two of our newest members win ribbons. Results were as follows:

1st	Dick Smith
2nd	Don Richels
3rd	Bob Ellsworth

### Chicago Expo

The Chicagoland Expo is set for the 24th and 25th of October, at the DuPage County Fair Grounds. Ron Bukowski will again be in charge of the Delta Dart Program to be held both days. He needs volunteers to help with this program. All volunteers will be awarded free admission (\$3.00 this year) for both days and will also be eligible for a Workers Drawing. Everyone interested in helping out can contact Ron at 343-3100.

### Club By-Laws

The Club By-Laws were read and approved at the September Meeting. Copies will be made available to all members at the upcoming October Meeting.

### Club Hats

There are still plenty of Club Hats available for those of you who haven't as of yet purchased one. Contact George Holada 289-4827 or Steve Schoening 832-6616.

## RailRoad Crossing

Everyone flying at Pratt Wayne Woods should be made aware of the RR Crossing on Powis Road just north of the field. There's no gate or signal of any kind at this crossing which makes it quite dangerous. However, what makes it even more frightening is that during this time of year the corn growing right next to the road and crossing, makes it virtually impossible to check and see if there are any trains coming! And if you don't think that's so, just ask Ron Bukowski. When the Amtracks go by, they do so at a high rate of speed with their train whistle acting as the only warning they give. So the next time you approach this crossing, make sure your windows are open and listen for that train.

## Fuel

The club will be looking into the possibility of securing a 55 gallon drum of fuel. All those interested in buying fuel from the club (5 gallon minimum), keep this in mind. More will be discussed in detail at the future meetings.

## President's Note

We wish to thank Bob Jukiewicz for the successful way in which he handled all of our Fun Fly's this past flying season. It takes a lot of time and support for preparing for a whole years of flying contests.

Thanks, Bob.
